RSS Feed

What is RSS Service:
RSS Is a free online service offered by the ASE, co-managed to get the latest stock market news in real time while their issuance, and without the need to visit the website.

Requirements to subscribe to the service:

In order to be able to receive the RSS feed, the device used to access the RSS feed must be equipped with RSS feed reader program (RSS Aggregator) to be able to view and read the Incoming Content by the service. There are a large number of RSS feed programs available in the market with different choices to use like desktop-based readers or web-based readers or mobile-based readers or e-mail-based readers, side built-in readers with popular internet web browsers such as Internet Explorer, Google Chrome, Mozilla Firefox, Opera, Apple Safari.

A suggested list of some RSS feed readers can be found through the following link:

www.rss-readers.org/list-of-rs-feed-reader
