Report on the review of the condensed interim Consolidated financial statements

715 19 04

To the Board of Directors of

Philadelphia Insurance Co. (P.S.C)

Amman - The Hashemite Kingdom of Jordan

#### Introduction:

We have reviewed the accompanying condensed interim Consolidated financial statements of **Philadelphia Insurance Co. (P.S.C)** comprising of condensed interim Consolidated statement of financial position as at 30 June 2019, and the related condensed interim Consolidated statements of income, condensed interim Consolidated statements of comprehensive income, changes in equity and cash flows for six-month period ended 30 June 2019 and the related explanatory notes.

The management is responsible for the preparation and presentation of these condensed interim consolidated financial statements in accordance with IAS 34 – Condensed interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these condensed interim consolidated financial statements based on our review.

#### Scope of review:

We conducted our review in accordance with International Standard on Review 2410 "Review of Condensed interim Financial Information Performed by the Independent Auditor of the Entity". A review of the condensed interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with international Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion:

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim consolidated financial statements are not prepared, in all material respects in accordance with IAS 34.

	- Test and the state of the sta
* <u>U</u>	se of estimates
as lia pr ar se	ne preparation of the interim financial statements requires management to make estimates and sumptions that affect the reported amount of financial assets and liabilities and disclosure of contingent bilities. These estimates and assumptions also affect the revenues and expenses and the resultant ovisions and particular, considerable judgement by management is required in the estimation of the nount and timing of future cash flows. Such estimates are necessarily based on assumptions about veral factors involving varying degrees of judgment and uncertainty and actual results may differ, sulting in future change in such provisions
M	anagement beleive that the estimates are reasonable and are as follows:
ap	plied according to the length of time past due, based on historical recovery rates.
ar	lanagement reviews periodically the tangible and intangible assets in order to assess the amortization d depreciation for the year based on the useful life and future economic benefits. Any impairment is ken to the statement of comprehensive income.
bi di	ne company loads all administrative and general expenses and expenses of staff distributable for each anch insurance limit approximately 80% of the administrative expenses and expenses of non-staff for stribution to the various insurance departments on the basis of earned premiums for each circle attributed the total premiums
