The Amman Stock Exchange (ASE) becomes Anonymous Market as of March 15th, 2015. The CEO of the ASE, Nader Azar, states that this amendment is stemming from the fact that continuous efforts of the ASE and the Jordan Securities Commission (JSC) to provide a fair, efficient and transparent market, and to keep up with international standards and practices in this regard.

Mr. Azar said that the ASE will not reveal the identity of the brokers on the bid or ask sides, thus ensuring fairness between all parties and that investors are executing transactions according to right investment bases without the scrutiny and speculation of the market or impacting the market prices.
