

## **Memorandum of Understanding (MOU) between the Amman Stock Exchange and the German Jordanian University**

January 11, 2023

The Amman Stock Exchange (ASE) signed a Memorandum of Understanding (MOU) with the German Jordanian University aimed at developing cooperative activities in different fields of common interest between the two parties. The ASE's CEO Mr. Mazen Wathaifi signed the agreement with the university president prof. Ala'aldeen Al- Halhouli, in the presence of the Director of Communication and Media Department at the ASE Mr. Amjad AL Qudah, the University Vice President Prof. Malek Alsharairi, and Dean of Business faculty Dr. Muhannad Atmeh.

The memorandum included agreement to exchange experiences, disseminate awareness and investment culture in securities in the community and work to provide joint projects that serve both parties and society. It also included exchanging field visits, laboratory, technical and logistics services and collaborating with the Deanship of Innovation, Technology Transfer and Entrepreneurship at the University to establish a culture of innovation and develop technology transfer and entrepreneurial ideas. In addition to offering a special chapter on the Jordanian capital market and trading within the

course of the Faculty of Business, by drawing on the expertise and capabilities of the ASE staff, and training a number of university students in the ASE, In addition to establishing a trading simulation room at the university with the aim of training university students on the systems, mechanisms and rules of trading applied and how to use trading screens in order to increase the efficiency of university students and improve their job opportunities.

It is worth mentioning that signed this agreement comes within the framework of the ASE social responsibility policy and its keenness to deepen its relationships with national universities due to the importance of this relationship between two parties. and its endeavor to enhance knowledge and culture in everything related to national capital market and investment in securities within all segments of society especially among students of related majors in national universities.
